BRIGHTWOOD PARK. Meeting of the Washington Driving Associa-

tion. spring meeting of the Washington Driving Asse on, at Brightwood Park, and the prospects are sufficient to warrant the prediction that, like all other meetings, success will attend this, and for the next four days the patrons of the turf will be treated to an exhibition of close and exciting trials of speed. This association is composed of gentlemen who stand high in the respect and esteem of the citizens of this community, and who comprehending their efforts to give a free, genteel and decent amusement to the public, will not only personally lend their presence to support the movement, but use their influence in advocating its encouragement and success. In the previous meetings nothing occurred to mar the pleasures profiered or to detract from the promise held out by the members as to the respectability of the sport, and in furtherance of such a guarantee a glorious time may be anticipated at the approaching meeting. Since the course fell into the hands of the present management it has become the favorite resort in this District of the lovers of the turf and turf sports. Knowing that the races would be conducted centlemen who stand high in the respect and

ment it has become the favorite resort in this District of the lowers of the turf and turf sports. Knowing that the races would be conducted honorably, and the best horse win, the public felt some eatisfaction in attending to witness the contests and seeing honest races. In this age, when corruption is raging in almost everything, it is refreshing to find a few who will stand firmly up and demand the faithful, honest execution of a compact. The effort to cheat has been attempted by jockeys and the owners of horses in the management of this association, but it met with such summary and severe punishment as to effectually check it in the future. Then it had a good showing to the turfmen that honesty prevalled here, and square races was the law. This brought others with their trotters here, and now some of the finest horses can be found entered in the Brightwood meetings, both spring and fall. At the coming event a number of horses with excellent records will participate and exciting races must ensue. There are thirty-three entries, among whom are the celebrated steppers Dora, Oscar, General McArthur, Barney kelley, Joe Brown, Bateman, John H., Lady Chatham, Faughaballagh, Mattle Lyle, Effic Dean, Blue Marc, Nellie Gray, Annie Collins, Huntress and George A. Ayer. The purses will amount to \$5,000. The first race on to-morrow will be the three minute class for a purse of \$400, for which there are four entries. Bora. On Wednesday the first race will e the 2:30 class for a purse of \$700—five entries— lattie Lyle, Effie Dean and Blue Mare among Huntress entered: the second race, the 240 class, for a purse of \$400, six horses entered—among them Faughaballagh and Lady Chatham. On Friday, the last day of the season, the first race will be a "free to all' for a purse of \$1,000—Annie Collins, John H. coaches will leave the National and Imperia coaches will leave the National and Imperial hotels at 1230 p. m., and reach the course in abundant time to witness the races.

It is anticipated that these will be the best attended of any races that have taken place at Brightwood, and the large increase in the sale of ladies' season tickets warrants the belief that the fair sex will be out in ferce. The arrangements are perfect, and the accommodations so complete that all who attend will find themselves amply rewarded for their visit.

THE OLD DEFENDERS. Veterans of the Mexican War. The local association of the veterans of 1815 hel-

their usual monthly meeting on Saturday even-ing at the law rooms of Denver & Peck, 1115 Pennsylvania avenue, General J. W. Denver, the president, occupied the chair, and Mr. A. M. Kenaday officiated as secretary.

The new members elected were: Robert Ham ton, who served in the Mexican, war as orderly sergeant of Captain Robert C. Morgan's Compan F, Tenth United States Infantry; Nelson Felt Company G, Captain Huntoon, Massachuser

F, Tenth United States Infantry; Nelson Felt, Company G, Captain Huntoon, Massachusetts volunteers; John Browers, landsman in the United States ship Columbus, Commodore Biddle; Colonel George B. Crittenden, captain in Mounted Rines; Commander H. N. T. Arnold, U. S. N., passed midshipman Gulf squadron; James Watts, of Captain J. T. Sprague's Company E, Eighth United States Infantry.

Most of the proceedings were of a routine character in which the public feel no interest. The secretary amnounced, however, that Mr. Jenks, chairman of the House Committee on Invalid Pensions, had obtained the consent of the House to make "the bill granting a pension to the soldiers and sallors of the Mexican and Florida wars a special order for the 19th of May, and from day to day until disposed of." Subject to the appropriation bills however.

The secretary also announced that Mr. Hurlbut had reported on Saturday the joint resolution introduced by General A. S. Williams, of Michigan, authorizing the Secretary of War to losh the use of tents and camp equipage for a grand encampment at the Contemnial grounds for shelter of the National Association of Mexican War Veterans and their guests, the Veterans of 1812. It has passed the House, and will doubtless receive the concurrence of the Senate soon, so as to enable the committee of arrangements to creet the encampment without delay.

Colonel W. L. Schley, chairman of the committee of arrangements of the colling that he could not furnish details yet, but that the

mittee of arrangements, at Baltimore, (post office box 519.) wrote on Saturday last, regretting that he could not furnish details yet, but that the encampment will be located one mile west of the Centennial grounds; will be known as "Camp Scott," and will be under the general management of J. V. W. Vandenburgh. The headquarters of the association will be at this encampment on or before the 4th of July.

About sixteen hundred of the medal badges have been sent to members, most of whom have expressed their intention to be at the reunion on the 4th of July. Only 900 remain of the 2,500 medals ordered at the mint, and at the present rate of application they will be absorbed before the 4th of July.

WASHINGTON CITY BIBLE SOCIETY. Anniversary Exercises at Lincoln Hall. The forty-eight anniversary of the Washington City Bible Society was appropriately celebrated esterday afternoon'at Lincoln hall. The exertires began at half past three o'cock. A number of gentlemen prominently connected with the work of the society occupied the platform, including several of the city pastors. Rev. A. W. Pitzer presided. The exercises were opened deroutly. The "coronation" hymn was sung. Rev Dr. Ramsdell read the 19th Psalm, and, the bless-ing of God was invoked by Rev. S. Domer. The

singing was accompanied with the organ and cornet. The president, Rev. Pitzer, greeted the gathering on the anniversary occasion. He intro-duced REV. TROMAS L. POULSON d Baltimore, to deliver the address. Rev. Poulson, delivered an elaborate address on Bible, its divine origin, and teachings. He berred to the making of the world for man ferred to the making of the world for man, in which he was sole instructor and calityator, to the beginning of the divine record and its completion. The questions, what is God? what is the world? what is the soul? were answered only in the Bible. In every age it has been read as divine law: translated from speech to speech; tanded down from age to age. Science did not canflict with the Bible and all attenues to preschant. from age to age. Science did not conflict wit the Bible, and all attempts to overthrow it have proved futile.

Hon. Wm. E. Dodge, of New York, who was present on the stage, was introduced by the president, and spoke a few words on the love of the Boble.

present on the stage, was introduced by the president, and spoke a few words on the love of the Bible.

After the closing exercises of singing, the gathering was dismissed with benediction, uttered by Rev. Dr. Pitzer.

At the close a neat pamphlet was distributed among those present, containing a condensed history of the Washington City Bible Society from its organization to the present year. The society was organized at a public meeting in the aldermen's chamber, City Hall. Wednesday, January 9, 1828, on which occasion Rev. Janues Lawrie, D. D., presided. January 21 a constitution was adopted. Matthew St. Clair Clarke was elected presidents, John Coyle, jr., secretary, and Michael Nourse treasurer. Among the vice presidents and managers were many names which have since come to be venerated for their philanthropy and good deeds. The history shows the gradual development of the society, from year to year, to the present time. At present the society is continuing the work under most favorable circumstances. The efficient city missionary, Rev. S. Kramer, commenced the tenth canvass of the city on the 1st of March. The society has sold and distributed from its depository during the year 148 Bibles and 783 Testaments. Of the sixty evangelical churches in the city fourteen have made contributions to the cause, amounting to \$385.50. The receipts from various sources during the year have been \$120.42. Balance on hand, \$22. Amount due American Bible Society, \$721.44. The net cost of the Bibles and Testaments remaining in depository, \$926.41.
